Parents – Please make note of the following when finalizing your dancer's costume needs for showcase:

- The majority of ALL costumes will need some form of alteration in order to fit your dancer properly. Most require minor sewing or cutting. Non-sew hemming tape is available to iron on to adjust your dancer's pant length.
- Stage make-up should be darker than average daily make-up. Even young children need stage make-up so they do not wash out under the bright stage lights. Lipstick, blush and eyes are the most important.
- Dance tights and shoes can be purchased at Definitely Dance in Exton, PA. Please mention that you dance with the Rock School West and the color of tights you need as well as dance shoe that has been recommended by your teacher.
- Please remember to remove your dancer's costume from the package and hang it up to remove wrinkles. Do not use an iron. Steaming in the shower can help.
- Alterations MUST be taken care of by dress rehearsal. It is very dangerous for a dancer to try to perform in pants that are too long where they can slip and fall.
